Art Unit: 1731

1) The terminal disclaimer filed on 9/2/2003, disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of application no. 09/936,516 has been reviewed and is accepted. The terminal disclaimer has been recorded.

2) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Amendment B, received 12/19/2001, page 1, Cross-Reference To Related Applications section, line 3; replace date "May 17, 2000" with -March 13, 2000-.

3) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show: a method of operating a machine for manufacturing and/or refining a material web wherein the machine includes at least one machine section, said method including detecting data in a plurality of measurement zones using at least one measurement device that detects data while moving along at least two degrees of freedom of movement (claim 31); a measurement system for the use in operating a machine for manufacturing and/or refining a material web wherein the machine includes at least one machine section, the system including measurement devices detecting data while moving along at least two degrees of freedom of movement (claims 77, 87).

Art Unit: 1731

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Halpern whose telephone number is 703-305-
